Dear Stakeholders

## **Revenue Management and Governance Update**

EHC continues to strengthen its governance practices to ensure financial sustainability and improved service delivery. As part of this ongoing effort, the organisation is intensifying measures to enhance revenue collection and enforce compliance with lease agreements.

With the support of the legal processes, EHC is actively addressing challenges related to rent payments. These interventions are aimed at promoting accountability and ensuring that all tenants meet their contractual obligations.

The organisation remains firm and consistent in applying strict revenue control measures. While EHC is committed to supporting its tenants, it also upholds the terms of the lease agreements. As such, necessary actions are taken in cases where tenants fail to honor their commitments.

Through these efforts, EHC continues to protect its assets, sustain operations, and ensure fairness for all compliant tenants.
